

**Prof. (Dr.) V. K. Gupta**  
Associate Professor

---

**B.E., M.E., PhD**

He has completed B.Sc., B.E. (Civil), M.E. (Construction Technology and Management), PhD. (Earthquake Engineering, Structural Engineering), and IIT Delhi.

### **Area of Interest**

1. Seismic analysis and designs
2. Structural Engineering,
3. Earthquake resistant designs
4. Health monitoring of structures
5. Construction safety and risk analysis in construction

### **Experience**

25 years of academic experience  
04 Years of field experience

### **Skill sets & Expertise**

Developed various software in structural and dynamic analysis

### **Publications**

5 publications in national journals  
5 papers submitted in conferences

## **Other Achievements**

### **Awards and Honors –**

Gold Medalist in B.Sc and ranking holder at PG level.  
Best Teacher Award in 2 consecutive years in SGI.

### **Memberships of Professional Societies –**

ISTE, MIE

### **Social Links –**
