Good education is the most empowering means for securing a future in today's knowledge driven world. Cost of such empowering education, is perhaps the most important investment that parents can make on behalf of their wards. It was a decisive moment in year 1996 when the Sharda Group was established with the above vision, and started offering a range of multidimensional professional courses of world class quality which bears testimony to our commitment to the citizens of our state and our country. We at Hindustan Campus emphasize on interactive & experiential learning methodology, innovative teaching and two-way participative & facilitative communication process. This provides an intellectually stimulating and responsive environment for young students to easily & firmly absorb the content, and become knowledgeable & skilled. Modern amenities and infrastructure facilities, dedicated faculty and picturesque surroundings provide the perfect ambience for all-round growth, to which gets added development courses on personality, Soft Skills & values thus generating the confidence to meet the challenges of the modern industrial & business world, and at the same time to hold steady to values & sense of social responsibility, amidst all the volatility and turbulence of a competitive working world. I take this opportunity to welcome all the budding & career oriented young minds desirous of studying at Hindustan Campus and wish them the very best of learning experience with us and successful career ahead.

Prof. R. S. Pavithr
Ph.D., (Computer Science)
Director, HCST

Hindustan College of Science and Technology (HCST), established in 1996, has grown into one of North India's leading private engineering institutions. Guided by a vision to create a knowledge-centered ecosystem, HCST focuses on holistic development, blending academic excellence with innovation and research. The college offers a variety of programs, including B.Tech in eight engineering disciplines, BBA, BCA, MBA and M.Tech courses. The institution is known for its state-of-the-art infrastructure, advanced laboratories, and a team of experienced faculty dedicated to both theoretical and practical learning.

Beyond academics, HCST emphasizes holistic development through co-curricular and extracurricular activities. These include the National Cadet Corps (NCC), sports for physical fitness, and yoga to promote mental and physical well-being. The college believes that education should foster not only intellectual growth but also the overall development of students, encouraging personal growth, resilience, and leadership skills.

With a commitment to developing well-rounded individuals who are academically proficient and physically and mentally fit, HCST prepares students to face the challenges of the modern world with confidence. Through its comprehensive educational approach, HCST aims to nurture future global leaders and entrepreneurs, instilling in them high moral and ethical values for the betterment of society.

Dr. Abhilasha Singh Raghav
Ph.D., (Management)
Director, HIMCS

Welcome to Mathura–Agra, a land of culture, wisdom, and enlightenment.

Since 1998, Hindustan Institute of Management & Computer Studies, Farah, Mathura, has remained dedicated to nurturing socially responsible leaders and professionals in Management and Information Technology. Our mission goes beyond academics, aiming to create individuals who serve society and the nation with integrity. Today, HIMCS proudly stands as the flagship institute of the Sharda Group.

Our MBA and MCA programmes emphasize holistic development, blending domain expertise with ethics, values, and lifelong learning. Through experiential learning, real-world exposure, and social engagement, students gain practical insights and develop a sense of social responsibility. Supported by committed faculty, our students are guided to realize their full potential.

I warmly invite you to be part of HIMCS and wish you a meaningful academic journey, emerging as world-class professionals, responsible citizens, and proud contributors to our nation.

Manish Kr. Gupta
Director
Admission & Administration
Hindustan Campus

In this era of rapid technological advancement, Hindustan Campus stands at the forefront of educational transformation, addressing national and global aspirations. We are dedicated to empowering young minds with the knowledge, skills, and values needed to lead with confidence, competence, and integrity.

Aligned with international academic benchmarks, our institution thrives on strong student–faculty collaboration and academic excellence. Guided by accomplished faculty, students benefit from a balanced blend of advanced theory, practical learning, and innovation, supported by strong industry and community partnerships.

Through rigorous training, value-added programmes, state-of-the-art facilities, and NAAC A+ accreditation, we ensure holistic development by nurturing technical expertise and essential soft skills. Our graduates transition seamlessly into professional roles as industry-ready leaders.

As you join our community of over 95,000 alumni of SHARDA shaping industries across India and the world, you carry forward the values of ethics, leadership, and lifelong learning besides good knowledge and skills of your domains. We wish you success as you build meaningful careers and contribute positively to Society and the Nation.

1995

SHARDA GROUP

Established in 1995, the US \$ 500+ Million Sharda Group is focused on building a better world through business operations in diverse areas like Education, Healthcare, Information Technology, StartUps, Engineering Equipment, Construction, Biotechnology, Hospitality and Skill Development. The Group is proud to be one of the drivers of change in building a world where intellectual minds will thrive, everyone will have access to good health, edifices of excellence will define the skyline and new age IT solutions will set new benchmarks.

The Sharda Group comprises over 25 companies operating in seven business sectors: education, information technology, engineering equipment, construction, hospitality, healthcare, biotechnology and agro research. The Group has operations in India and Uzbekistan and plans to expand further to the other CIS countries and Africa.

1996

SHARDA GROUP OF INSTITUTIONS (SGI)

The Sharda Group of Institutions was established in 1996 to bring world-class education to the youth who saw tremendous opportunities arising out of liberalisation. The first Engineering College, Hindustan College of Science and Technology was established on the Agra-Delhi Highway.

The huge demand for seats by the students led to the expansion of the College into its second division by the name Hindustan Institute of Management and Computer Studies (HIMCS) in 1997. 1998 was the hat-trick year as SGI came up with a new College named Anand Engineering College, AEC, Agra.

2005

RISHAV SHELTERS

Established in 2005, Rishav Shelters has established itself as a world-class contractor, land developer and planner with several notable landmarks in construction including institutional buildings, hostels and offices. Rishav Shelters operates as a EPC Organization (Engineering, Procurement, and Construction) relating to infrastructure projects and systems for construction work.

2006

SHARDA HOSPITAL

Established in 2006, Sharda Hospital has become a beacon of hope for patients from Greater Noida and nearby areas. The only 1600+ beds medical education and training hospital in the region, Sharda Hospital is driven by the vision of 450+ doctors who believe in holistic treatment and care.

2009

SHARDA UNIVERSITY

Established in 2009, Sharda University has over the years become one of the leading centres of education, research and innovation in India with global recognitions and accreditations. The University prides in being the melting pot of various cultures from across the globe. The University has 14 Schools in Engineering, Management, Basic Science, Media, Law, Agriculture, Allied Health, Pharmacy, Medical, Dental, Architecture, Education, Humanities and Nursing.

2016

SHARDA TECH

Established in 2016, Sharda Tech is the IT wing of the Sharda Group. company aspires to revolutionize the edge digital sector through cutting products and serves prestigious national and international brands. Sharda Tech delivers IT Services, Peoplesoft, Digital Marketing, Education and Healthcare solutions.

2022

SHARDA WORLD SCHOOL

Established in 2021, Sharda World School is an initiative of the Sharda Group with interests in diverse areas. Sharda World school is set to emerge as a centre of excellence in Education with focus on continuous development of mind, body & soul, nurturing compassionate & creative global citizens.

2024

SHARDA CARE- The Health City

Embracing the concept of a smart hospital, Sharda Care - The Healthcity is envisioned to revolutionize healthcare delivery through Sharda Care -The digitalization & automation. Healthcity, a 600-beds facility is poised to transform healthcare with pioneering equipment & technology.

2013

SHARDA LAUNCHPAD

Established in 2013, Sharda Launchpad, the StartUp wing of Sharda University has over the last final years been serving as the springboard for students and budding entrepreneurs who are living the dream to make India self-reliant. Sharda Launchpad is the Business Incubator (BI) of MSME and has collaboration with IIT Kanpur for sharing of resources.

2019

SHARDA UNIVERSITY UZBEKISTAN

Established in 2019, Sharda University Uzbekistan is the first independent private university in Fergana valley that is being envisioned to become the gateway for students from Eurasia.

2024

SHARDA UNIVERSITY AGRA

Carrying forward its focus on research, innovation, entrepreneurship, Sharda's second University in India, Sharda University Agra is being set up to bring world-class education to the region. Sharda University Agra has been established through an act of the State Legislature of Uttar Pradesh (12 of 2019).

Recognitions & Approvals by Government Institutions & Regulatory Bodies

The Campus houses two Colleges viz. the Hindustan College of Science & Technology (AKTU Code-064) and Hindustan Institute of Management & Computer Studies (AKTU Code-067)

Hindustan College of Science & Technology is the first self-financed private engineering college in North India, established in 1996, affiliated to Dr. APJ Abdul Kalam Technical University (AKTU), Lucknow and approved by All India Council for Technical Education (AICTE), New Delhi.

Earning a college degree is all about opening up opportunities in life. It prepares you, both intellectually and socially, for your career and your future life. The benefits of a college education include better career opportunities like improved paying and higher-skilled jobs, respect in society. It requires a lot of hard work, but that work prepares you for a challenging and rewarding career and more fruitful life. We have consistently focused on developing our students to achieve these goals by enhancing knowledge levels, domain skills and professional ethical behavior and soft skills and no wonder our Alumni are working across the Globe today in top positions.

The colleges are situated at the 26 km milestone from Agra on the Agra-Delhi Highway (NH-19). It has a sprawling campus spread across 29.4 acres of land. Its state-of-art facilities give opportunities to develop leadership skills and to achieve professional excellence.

Hindustan Campus offers courses in various branches of Engineering, Management & Computer Application. The Hindustan College of Science & Technology has been awarded NAAC 'A+' Grade for its excellent facilities and outcome based education (and stands at 3rd position in NAAC scores of A+ Grade amongst all the Colleges affiliated to AKTU).

EMPOWERING GLOBAL LEADERS

Hindustan Campus, renowned for its commitment to academic distinction, has forged numerous MoUs with prestigious international and national institutions across the globe. Our faculty and student exchange programs extend to Taiwan, Belarus, Russia, Poland, the USA, South Africa, and Brazil, fostering cross-cultural collaboration and enriching the learning experience with diverse global perspectives. These strategic alliances provide students unparalleled international exposure through immersion programs, faculty exchanges, and research collaborations. By integrating cutting-edge academic resources with a globally connected learning environment, the Hindustan Campus is dedicated to cultivating future-ready leaders equipped to drive innovation and create meaningful global impact.

INTERNATIONAL MOUs

INDUSTRIAL MOUs

STUDENT CLUBS

STUDENT CLUBS at Hindustan Campus provide a platform for students to explore their interests, enhance skills, and engage in extracurricular activities. These clubs foster creativity, leadership, and teamwork, enriching the overall learning experience and encourage healthy cultural pursuits.

STUDENT'S INTERNSHIP

Students of the Hindustan Campus gain valuable industry experience through internships at leading organizations, enhancing their practical skills and career prospects. These internships provide hands-on training, exposure to real-world challenges, and opportunities for professional growth in diverse fields.

The Scholarship once cancelled shall not be renewed or restored under any circumstances.

(l) The minimum class attendance, semesterwise in the first year / or qualifying year should be at least 80% or more (for sports scholarship holder 60% or more), for continuation of the scholarship in next year, otherwise the scholarship will not be continued.

5. Community Support Scholarship

Student/ Employee-Staff-Faculty Referral Scholarship for Admissions:-

Policy and Process : if a current student refers and motivates a friend or relative to seek admission, he/ she shall become eligible for "Referral Incentive" as given below. In case a faculty/ Staff/ Employee refers a student for admission the incentive will be in the form of "Loyalty Rewards".

Course	Amount of Referral Incentive/ Loyalty Reward	Amount of Referral Incentive/ Loyalty Reward (With Hostel)
B. Tech	10000/-	10000/- Extra
MBA	10000/-	5000 Extra
MCA	10000/-	5000 Extra
BBA	7000/-	5000 Extra
BCA	7000/-	5000 Extra

NOTE :

The Faculty/ Staff may get the loyalty reward credited in their A/c which shall be remitted to their A/c in the month of Sep for the case of students the same can be in the form of tuition fee credit in their account. OR

They may choose to extend the credit to the students whom they have referred, (so that the benefit can be availed by the admitted student), in such a case no additional incentive will be given to referring student/ employee-faculty-staff. Such cases will be called "Community Referral Scholarship".

The referral incentive/ reward will be payable after September, after enrollment of the referred student and payment of fees by the student.

In case an Alumni refers a student for admission the advantage of an amount as given in table can be passed on to the admitted student in the form of reduced tuition fee in the 1st year (One time Scholarship).

In case the monetary advantage is given to the referred student, the counselor has to record on the application the name of the referring Staff/ Faculty/Alumni clearly mentioning name/ details (Including phone numbers) before granting referral amount.

If the monetary benefit, is being passed on to the referring person (Student/ Alumni/Faculty/Staff) a "Claim Form" duly signed by the referee has to be submitted and the counselor has to authenticate the same with his/her signature/ approval.

Referral advantages can be given to a maximum of 15% students of CS/DS/IOT/AI&ML courses (on the approved seat capacity) and to 20% of the seat capacity in other branches.

SCHOLARSHIP RULES 2026-27

NOTE :

- (1) Scholarship will be awarded on Tuition Fee only. (any other charges shall not be included)
- (2) Maximum one Scholarship can be availed by the students whichever is higher.
- (3) Grant of scholarship is subject to approval of the competent authority & availability of scholarships in concerned course.
